In 2023, we plan to collaborate with organizations that work with children and adults with special needs, as well as veterans, through equine therapy; that use adaptive yoga to help vets, active military, and military reserves; and that provide support to vets and active military for suicide prevents and military sexual trauma. These organizations include Quantum Leap Farms (www.quantumleapfarm.org); Exalted Warrior (www.exaltedwarrior.com); and Veterans Counseling Veterans (www.vetscounselingvets.org).

In 2022, we donated to four worthy nonprofit organizations: Valor Service Dogs, Creative Clays, Royal Kids Camp, and A Door of Hope. 100% of proceeds are going to worthy organizations.

We hope you will partner with us in this effort and make a change in the Tampa Bay area.

Challenge: Let us not love with words or speech, but with ACTIONS and in truth. We challenge you to be obedient and act on helping children and families in our community!
