In 2026, we plan to collaborate with a Door of Hope (<https://www.adoorofhope.com>), who's mission is to find foster families, train them to be foster parents and, ultimately, place children in their home. Their vision is to provide hope for children in crisis and a mission to provide a Christian home for every child.

We also plan to support the TGH Foundation in partnership with the Tampa Firefighter Charity for their annual Camp Hopetake. This summer camp supports pediatric burn victims connect with peers who share similar experiences (www.tampafirefighters.com/camphopetake.com)

We won't forget our veterans. The Warrior Health and Fitness program at TGH Foundation, in collaboration with Home Base, help warriors take control of their physical well-being through physical, nutritional, stress management, and healthy lifestyle education and assistance (www.homebase.org).

In this, our 7th year of fundraising, we hope you will partner with us in this effort and make a change in the Tampa Bay area. We are committed to making the lives of as many children, families, and veterans better through our hard work and your generosity. We look forward to another successful event. Thank you.
